

30th January 2009

To all at 4th Frimley Scout Group

My 96 year old father-in-law was a patient in Frimley Park hospital from the beginning of December. Whilst he was there and just before Christmas he received one of the beautiful calendars and a Christmas card that you had made.

On his behalf I would like to say a very big thank you to you all. Not only for the obvious love, care and time that you all put in to these lovely gifts but for remembering those less fortunate than yourselves at this otherwise very happy time of the year.

I am pleased to report that despite his great age, my father-in-law has recovered and came home from hospital this week. You may be interested to know that in his younger days he was a soldier in World War II and spent some time as a prisoner of war with the Japanese. I believe you learn about this in your history lessons at school, so you will now also know that you made one of those old soldiers very happy by your kind deed.

Many thanks again to you all.

Kindest regards,
